Oh they say people come, say people go  
This particular diamond was extra special  
And though you might be gone, and the world may not know  
Still I see you, celestial

Like a lion you ran, a goddess you rolled  
Like an eagle you circled, in perfect purple  
So how come things move on, how come cars don't slow  
When it feels like the end of my world  
When I should but I can't let you go?

But when I'm cold, cold  
Oh when I'm cold, cold  
There's a light that you give me when I'm in shadow  
There's a feeling you give me, an everglow

Like brothers in blood, sisters who ride  
And we swore on that night we'd be friends til we die  
But the changing of winds, and the way waters flow  
Life as short as the falling of snow  
And now I'm gonna miss you I know

But when I'm cold, cold  
In water rolled, salt  
I know that you're with me and the way you will show  
And you're with me wherever I go  
And you give me this feeling this everglow

**Oh- I I I I**

What I wouldn't give for just a moment to hold  
Yeah I live for this feeling this everglow

So if you love someone, you should let them know  
Oh the light that you left me will everglow
